

**BELLEVUE IOWA YOUTH SOCCER
2026 SPRING SEASON REFUND POLICY**

Bellevue Iowa Youth Soccer, Inc. (BIYS) is a nonprofit entity. One of our primary missions is to keep registration costs to a minimum. The Board of Directors, league administrator, and coaches are all volunteers, and our budget is lean. Once registrations close, there are fixed costs that BIYS will incur on behalf of your youth athlete. These fixed costs include field maintenance, insurance, scheduled referees, and team equipment. The following refund policy applies to all registered athletes.

FULL REFUNDS: Full refunds are only offered before registration closes. The lone exception is that full refunds will be offered if registration numbers do not allow for formation of gender specific teams.

PARTIAL REFUNDS: The BIYS Board of Directors will review requests for partial refunds made after registration closes. An approved partial refund will be calculated by subtracting the prorated fixed costs incurred as of the date of the partial refund request from the total registration fee. Priority will be given to the following scenarios:

1. Athletes who withdraw due to medical reasons within 14 days of injury occurrence.
Medical documentation may be requested.
2. Athletes who withdraw because their family is moving outside the Bellevue area and will no longer be able to participate.

DONATION OF REFUNDED PAYMENT: As a nonprofit entity, donations of full and partial refunds will be put to good use keeping registration costs low for future seasons.

METHOD OF REFUNDED PAYMENT: To keep processing costs to a minimum, all refunds will be made by check within 14 days of the refund request.

PANDEMIC (OR SIMILAR SITUATION) EXCEPTION: In the event that the spring 2026 season is delayed, ended prematurely, or not started at all due to pandemic related reasons (or similar situations), the BIYS Board of Directors will meet to determine how to proceed regarding refunds. The financial solvency of the BIYS will be the primary consideration. We want to be able to provide a quality soccer experience on the other side of any pandemic related delays or cancellations.
