

# **TAMIAMI COLTS ATHLETIC ASSOCIATION**

## **Join Us in Supporting Our Youth**

We officially invite you to become an important part of our team by becoming a sponsor of the Tamiami Colts Football Program. The Tamiami Colts Athletic Association is a community-driven, non-profit organization committed to providing a safe and structured environment for youth to develop teamwork, discipline, and leadership through the football and cheerleading program

As a sponsor, you will receive valuable community exposure while directly contributing to our athletes' success. By partnering with us, you will be supporting a local youth sports program and investing in the future of the children growing up in your town. Your sponsorship will help cover scholarships for children who cannot afford to play, brand-new uniforms and high-quality equipment, coaching resources, training programs, travel expenses for athletes to attend championship games, and so much more.

We offer multiple sponsorship levels to fit businesses of all sizes and individuals who want to make a difference. This is your chance to make a long-lasting impact while gaining exposure for your business and local community. We thank you for all your help in supporting our children.

Sincerely,

**Omar Diaz**
