

USA Swim Membership Instructions

Step 1: Go to www.usaswimming.org and in the top right corner click on “login/register”

Step 2: Register for an account

Step 3: Click on the link below which will bring you to the page where you select and pay for a membership linked to our club:

<https://omr.usaswimming.org/omr/welcome/ABFED59E70B14A>

Step 4: Fill in all the information regardless of whether or not your swimmer is going to compete.

Step 5: Select your membership from the following options:

Select a premium membership (\$90) if your child is going to swim the entire season and compete in meets.

Select the flex membership (\$30) if your child is not likely to compete in meets.

Once you've purchased a membership your child will be all set to attend practices. This must be renewed annually to continue participating in our programs. If you've followed the instructions above which links your swimmer to our club account our coaches should be able to do the renewal for you in the future.
