

RWE April Newsletter

Jacquie Ash
Head Coach

Coach's Corner

After a great weekend in Huntersville, we are excited to announce that we will be hosting our own home meet May 14th and 15th. We will have more details coming soon!

For the Wisconsin camp, I will be flying out Sunday morning June 12th and coming back Saturday the 18th. If you would like your child on the same flight, please confirm with me so we can work that out! The camp will be finished Friday early afternoon so you will of course be allowed to leave on Friday! **Registration opens Friday April 8th at 9 a.m. at <http://uwcamps.com/> and select diving. There is a 50 diver maximum so register quickly.** Please let me know if you have any questions!

We are also looking to host a senior night celebration for our graduating class. Tentatively that date has been set for the 20th of May! All team members will be invited!

Jacquie

Get your **Red Wolf Elite** swimsuits, t-shirts, and other cool gear at swim outlet—<https://www.swimoutlet.com/redwolfelite>

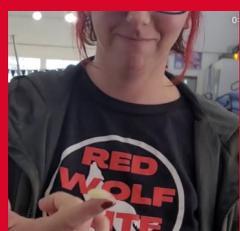

Congratulations RWE Divers!

	Peyton McCallum	2nd	

Red Wolf Elite Meet Pictures

Red Wolf Pride

Red Wolf Elite is proud of all our diver's achievements, both in the pool and on land. Each month, we will feature the accomplishments of some of our pack. If your diver has achieved something special, please send an email with a description and pictures to heather-banks@nc.rr.com.

Julie Salcido, our wonderful assistant dive coach, was selected to be the Fall Wing Commander for NC State Air Force ROTC detachment. With this, she will be leading the Wing through training and oversee the cadets in accomplishing their objectives and helping run the detachment

Both **Cooper Thomas** and **Peyton McCallum** recently earned their Eagle Scout Rank, Boy Scout's highest award! Both joined the scouts in early elementary school. As part of earning their Eagle Scout ranks, each had to design and implement a project to help their communities. Way to make an impact!

Cooper's completed the Veteran's History Project in which he interviewed 20 WWII veterans regarding their time in the military. Each of these 30-minute-long videos were submitted to the Library of Congress so that memories of WWII can be shared with future generations.

Peyton's project was designing and building Wheelchair Accessible Planter Boxes for his former school, Envision Science Academy in Wake Forest.

Ariana Jones (A.J.) is a member of the FIRST Robotics Challenge Team called PyroTech. A.J., as driver in the final rounds, helped her team win the prestigious Engineering Inspiration award at her first competition of the year. Her team was a first round alliance pick and won the Gracious Professionalism award at her second competition. Now, A.J.'s team moves on to the State level competition on April 8-9. Good luck, A.J.!!!

Kaylee Banks competed at her State gymnastics meet this past weekend. She won first place on both beam and floor. Great job, Kaylee!

Invite your friends to join Red Wolf Elite to share in the fun!

April Dive Practice Changes

Sunday, April 17th— no practice

Friday, April 22nd— makeup 6:15-7:45

Wednesday, April 27th—no water practice, Jacquie is trying to figure out dryland practices

Sunday, May 1 - earlier practice times beginning at 2:45p.m.

Greensboro Aquatic Center (GAC) is an indoor dive pool with two 1-meter boards, two 3-meter boards, a 3-meter platform, a 5-meter platform, a 7-meter platform, and a 10-meter platform. GAC is a great place for everyone from beginners to advanced divers to try new equipment and skills. \$30/practice in addition to monthly tuition.

Tuesday April 12th 10:30-12:30
