

## RWE May Newsletter

**Jacquie Ash**  
Head Coach

### Coach's Corner

It has been an extremely busy year so far! We are excited to be hosting our first home meet at NCSU May 14th/15th. Even if you aren't competing, come cheer on your teammates! The competition will begin around 11:15 both days. If you aren't competing or want to practice on Sunday after the meet, Sunday May 15th all practices will be pushed to 4:15-6:15pm.

We are also excited to be hosting summer league championships again this year. If you are interested in joining our summer league team, please visit our Signup Genius. Summer league is a great way to dip your toes into competing while having fun!

Please also be sure to join us for our team bowling night to celebrate our seniors! We are sad to lose them, but excited for their next chapters in life!

Remember that your May registration runs from May 8th-June 3rd. We will have a single summer registration running from June 5th-August 5th. If you don't want to pay the whole registration up front, the first half will be due June 5th, and the second half will be due July 5th.

Thank you!

*Jacquie*

### May Dive Practice Changes

Makeups are **May 13th** and **June 3rd** from 5:15-7:15

There is a slight chance practices will shift times **May 23rd-25th**, I am awaiting the pool to confirm.

We will **NOT** have practice Memorial day weekend the **29th and 30th**.

### Important Dates and Events

**May 8th**- May registration begins and runs through **June 3rd**

**May 14th and 15th** - Our home meet

**May 20th**- senior night celebration at Stars and Strikes bowling alley. Please visit our Signup Genius.

**June 5th-Aug 5th**- summer session will be charged as one session. This registration will be out by the end of next week.

**June 12-17**- Wisconsin Camp

**Aug. 7-21st**- We will take off.

**Aug 22nd-Sept 2nd** we will have our annual 1 on 1 meetings getting geared up for next year.

**Sept 6th** - Our new season will begin!

### Camp News

**June 12-17**- Wisconsin Camp

We are looking into other more local weekend camps for the summer at Greensboro and Lynchburg. I will get other details out as these things unfold.

## Grayson Klingemann

**Grayson** will be graduating magna cum laude from Apex High School in June. He is attending UNC Wilmington in the fall with the goal of becoming a Physician's Assistant. Grayson also applied for an internship at the UNC Medical Center. Over the summer he will spend his days lifeguarding, with plans to start a dive team. He can't wait to spend his days off at the beach and getting familiar with his future home in Wilmington, NC.

## Gaby Borst

**Gabrielle Borst** has been an Army brat her whole life. Her father, James, is an Army officer with 30 years of service and her mom, Amy, is a homeschooling "chauffeur." Gaby has an older sister, Maura, and an older brother, Jared, who have both graduated from college. Gaby was a competitive gymnast for 8 years before she started diving in September 2019 when she joined Red Wolf Elite. She has been homeschooled her whole life and will graduate on May 21st from Borst Academy, which will then close for business. Gaby has worked at the Aloha Safari Zoo since May 2020 and will attend Liberty University in the Fall to study zoo and wildlife biology. She hopes to be a zookeeper after she graduates from college. Gaby's family will be moving to Florida in June where the family will retire from military life. Gaby would like to thank Coach Jacquie for all her hard work and for being a fabulous coach and mentor. Gaby would also like to thank her teammates for their friendship and support. She will miss you all.

# Red Wolf Elite Seniors

## Ariana Jones

**AJ** has chosen to attend Appalachian State University in the fall, and is looking to major in Sustainable Technology/Development. She would like to travel internationally during college and is excited to discover what the next chapters of life have to offer.

## Martin Kinney

**Martin** has been diving for RWC for 5 years now, he started while he was in this Freshman year at Broughton High. Prior to that, Martin was diving off bridges along the coast. Martin didn't think he wanted to be a competitive diver back when he started at RWC, but he realized his coaches saw something in him that was worth fine tuning for competition. Since graduation last year from High School, Martin took an academic gap year to work full time as a Doordasher and an electrical helper with his dad's company. Martin hopes to continue his education by going to Wake Technical College in the Fall and pursue his Bachelor's degree with a four year institution after that.
