

Trans Valley Youth Football League

Background Check Consent

This Consent Form outlines how the Trans Valley Youth Football League (TVYFL) will request, receive, use and share an individual's criminal offender record information (CORI) received from the background check.

I do hereby acknowledge and consent to all of the following statements:

- I understand that TVYFL and Member Teams will receive any updates for the duration of the current season (July - June) and any additional seasons I continue my participation.
- I understand that TVYFL will evaluate my participation yearly during the months of August and September. If I am found to no longer be participating, my CORI record will be removed.
- I understand that in order to serve for TVYFL and Member Teams, I must comply with the background check requirements set forth.
- I understand that by submitting my Request for Live Scan Service form and providing my fingerprints, I am authorizing TVYFL and Member Teams to request my CORI from state and federal agencies (including the FBI) for the sole purpose of determining whether I am allowed to serve as a Board Member, Coach or Volunteer for TVYFL and Member Teams.
- I understand that the Custodian of Records for TVYFL will receive my CORI through secure means from the Department of Justice.
- I authorize the Custodian of Records for TVYFL to review my CORI in order to determine whether I can serve as a Board Member, Coach or Volunteer for TVYFL and Member Teams.
- I authorize the Custodian of Records to share my CORI with a designated member of TVYFL if the Custodian of Records needs further guidance regarding my ability to serve as a Board Member, Coach or Volunteer for TVYFL and Member Teams.
- I understand that the Custodian of Records may share whether I am authorized to participate in activities with TVYFL and Member Teams.
- I understand that I may challenge the accuracy or completeness of my FBI criminal history record, that I will be afforded a reasonable amount of time to do so (or decline to do so) before being denied a benefit based on any information contained in my criminal history record, and that further guidance can be found at: <https://www.fbi.gov/about-us/cjis/background-checks>. I further understand that the procedures for obtaining a change, correction or update of an individual's criminal history record are set forth at Title 28, Code of Federal Regulations, Section 16.34. I may also review and challenge the contents of my criminal history record on file with the California Department of Justice. California's website to request a copy of my criminal history record and to make corrections can be found at <https://oag.ca.gov/fingerprints/record-review>.
- I understand that once a determination has been made regarding my ability to serve as a Board Member, Coach or Volunteer for TVYFL and Member Teams, the records will include my approval status to serve in such a role.
- I understand that once a determination has been made regarding my ability to serve, the Custodian of Records will comply with TVYFL policy regarding the retention and destruction of my CORI.
