

Welcome to the 2023 Gustine Redskins Youth Tackle Football Program!

Our goal is to provide a safe environment for football players to build self-esteem, confidence, and most importantly, to have fun! The Gustine Redskins are proud members of the TVYFL and in keeping with the rules and ideals of the TVYFL our primary objective is to support the game play and competitiveness of the league. We take great pride in our game day activities and encourage our youth to participate with a high level of enthusiasm and to be highly competitive. Our goal is to not only win games and win championships, but it is also to help our athletes build positive character, gain strength mentally and physically, and develop life skills through hard work, dedication, and commitment to their team.
