

PARENTS PLEDGE OF CONDUCT

As a parent/guardian associated with the Manteca Youth Softball Association (MYSA), I understand that all Managers, Coaches, Board Members, Scorekeepers, Team Representatives, Umpires, and Players must be treated with respect at all times.

I agree to conduct myself in a manner that upholds the integrity of MYSA. I will not engage in any behavior that could discredit myself or bring dishonor to the organization. This includes, but is not limited to:

- Unruly or disruptive behavior
- Offensive or inappropriate conduct
- Use of profanity
- Spitting, physical aggression, or fighting
- Taunting, verbal abuse, or harassment of any kind

I will not instigate or participate in negative discussions that may incite other parents, fans, umpires, or players against anyone associated with MYSA.

If I have concerns or questions regarding my child's team, I will address them in an appropriate manner. I will not approach the Manager or Coach during games or practices. Instead, I will wait until the conclusion of the event, after the players have been released. If further discussion is needed, I will escalate my concerns to the General Manager of the respective age group, who may then bring the issue to the Board of Directors. I understand that these discussions should take place privately and not in front of players.

Alcohol consumption by spectators in the stands before or during games is strictly prohibited. Unruly fans will be asked to leave the premises.

I recognize that MYSA Managers, Coaches, Board Members, Scorekeepers, and Team Representatives are dedicated volunteers who generously donate their time to provide a quality softball program. Their efforts help train and educate young athletes in fundamental softball skills while promoting leadership, sportsmanship, and teamwork.

By signing this pledge, I agree to abide by these guidelines and ensure that all spectators attending in support of my player do the same.

With my signature, I pledge that I, and all spectators in attendance to support my player, will abide by these rules as set forth by M.Y.S.A.
