### To Whom It May Concern,

For the past 29 years, Manteca Youth Softball Association has been an integral part of the Manteca community, offering a nurturing environment for young girls to forge friendships, acquire essential life skills, and master the game of softball. Our softball league is typically comprised of 20-25 teams, encompassing approximately 250-300 players. As a 501(c)(3) non-profit organization, we operate entirely through the dedicated efforts of volunteers from our community. These volunteers work tirelessly to create a safe and enjoyable space for girls to compete and learn. However, the success of our league would not be possible without the support of outstanding partners in local businesses within our community.

We are optimistic that you would consider making a donation to MYSA to sponsor a team for the upcoming 2025 season. Attached to this letter is our sponsor form, which provides details about our tax ID number and various sponsorship options. If you are open to contributing towards equipment purchases or other league needs, we would be delighted to discuss those possibilities as well.

Manteca Youth Softball Association is committed to delivering an exceptional league experience for young girls in Manteca and the surrounding areas. We would greatly appreciate the opportunity to form a partnership with you, enabling us to continue creating a space for lifelong memories and skill development. Please do not hesitate to reach out via email at [MantecaYouthSoftballPresident@gmail.com](mailto:MantecaYouthSoftballPresident@gmail.com) or visit our website at [www.MYSAgirlssoftball.com](http://www.MYSAgirlssoftball.com).

Thank you for considering this opportunity to support Manteca Youth Softball Association and its players. Your generosity will leave a lasting impact on the young athletes in our community.

Sincerely,

2026 MYSA President
