“The objective of the Mt. -Mt. Juliet League Inc. Constitution, Article 2, Section 1

Please read the following rules carefully. A park official or an umpire has the authority and duty to eject a coach, player, or a spectator from the premises for violation of any of the following rules. Furthermore, any violation may result in being brought before the MJL Ethic Committee for termination of their and/or their child's membership in the league. If a coach is ejected from a game there is an automatic one-game suspension to be served the next game WITH NO EXCEPTIONS.

Code of Conduct for Coaches:

- I will always keep the best interest and well-being of the children as the highest priority.
- I will follow all concussion and cardiac arrest protocols.
- I will respect the officials' calls and avoid arguing or questioning the officials in any way that will undermine their authority as this has the potential of creating a hostile environment for everyone.
- I will lead by example by speaking positively and will not engage in verbal or physical abuse or altercations with any athlete, official, parent, attendee, or staff.
- I will stress fair play and good sportsmanship during practices and in games whether winning or losing by not engaging in or allowing trash-talking, taunting, or chanting that could be demeaning or offensive in any way.
- I will teach the rules of the game to all players, and be available to advise parents on rules, as required.
- I will encourage athletes to think and play as a team, to do their best, and continually improve through personal effort and team work. Put less emphasis on the final outcome and more emphasis on effort, improvement, and team work.
- I will maintain a thorough knowledge of the rules and ensure that my athletes understand and follow the rules. Remember that the rules of the game are designed to protect the participants as well as to set a standard for competition. Coaches should never disregard, circumvent, or take advantage of the rules by teaching deliberate misconduct to gain a competitive advantage.
- I will do my best to organize practices that are fun and challenging for my players.
- I will learn the strengths and weaknesses of my players so that I might place them into situations where they have a maximum opportunity to achieve success.
- I will conduct my practices and games so that all players have an opportunity to improve their skill level through active play.
- I will strive to provide a challenging, safe, enjoyable, and successful experience for the athletes by maintaining a positive environment free of drugs, tobacco, and alcohol.
- I will remember that as a youth sports coach, the game is for the children and not for adults.

I hereby agree that if I fail to conform my conduct to the foregoing while coaching for the Mount Juliet League I will be subject to disciplinary procedures and penalties.
