Pre Game rules:

- 1.1 At the beginning of the game, each team should contribute one new ball, which will be returned to the team for use as a practice ball after the game. Do not place any team logos on the official game ball.
- 1.2 A game cannot begin with less than 8 players on the team. Game time will be determined by the Head Umpire, to the closest time possible to the scheduled game time. There will be a fifteen-minute grace period for all games for lack of enough players. If one team has less than 8 players, the game will be treated as a forfeit. Only up to 2 players may be picked up from PW8, but it **MUST** be approved by the League Director and/or the Baseball Director. The player(s) must bat last in the line-up and can only play in the outfield. If you only have 8 players, the 9th position will be an automatic out. You cannot just grab a player on your own.
- 1.3 The Game Changer App can be an official scorebook. If there is an official protest, the game information **MUST** be exported. It must be sent and received by the Baseball Director and Umpire in Charge before the next pitch.
- 1.4 Between innings shall not be greater than 2 minutes. When the catcher is on base, the coach is encouraged to use a courtesy runner to help keep the game moving. This courtesy runner can be used with 1 or more outs. If an alternate catcher is used to warm up a pitcher between innings, that catcher must be properly equipped per league rules for catchers. **To use courtesy runners in the first inning, coaches must inform opposing coach at the plate meeting who their starting pitcher and catcher is for the game.**
- 1.5 Each coach is responsible for preparing a lineup for the opposing coach/team and having their team ready to play at the predetermined start time.
- 1.6 All players on the roster shall bat. The batting order shall be turned in on the roster to the opposing coach. If a player arrives late, he may be placed in his rostered place if it has not come up. If said player arrived after his rostered place in the lineup, he must be placed in the order as the last batter.
- 1.7 The defensive team may play 9 players: catcher, pitcher, first base, second base, shortstop, third base and three outfielders.

No advancement on the bases will be allowed, and any outs during the play shall stand. This is an appeal play. The "at bat" will be considered legal once a pitch is thrown to the next batter.
- 2.7 If weather interrupts a game and the game is called, it will be considered a complete game if three and a half innings have been played and the home team is ahead. (Four innings with the visiting team leading)(This rule does not apply in tournament games. Tournament games will be played to time limit or mercy rules)
- 2.8 Only one extra inning will be allowed to break a tie after the time limit has expired. The player making the last out during regulation play shall begin the extra inning as a runner at second base. If a game is tied after one extra inning, it will be recorded as a tie during the regular season.

Base coaches shall stay in the "coaches box". (coaches boxes are a 4ft to 8ft area in foul territory at 1st and 3rd) These will not be chalked. It is at the umpire's discretion that coaches are not staying in the coaches box. (Example: when a ball is in play the 3rd base coach shall not run home with a runner)
- 2.11 Before the HEAD COACH comes on the field, he must request and receive a time out from the head umpire.
- 2.12 At the end of the season, the MNR9 league will have a tournament that will be scheduled and approved by the Baseball Operating Committee.

- 2.16 The pitcher must be removed upon the 2nd coach's visit to the mound in one inning or on the 3rd coach's visit to the same pitcher in a game. The coach is not allowed to be on, at or around the pitching mound between innings. If so, this will be considered one of the applicable coach's visits as determined by the head umpire.
