- \* Logo on banner at all home games

## Who are we?

The West Clovis Monsters is a youth football and cheer program benefiting local children in kindergarten through sixth grade. We focus not only on the growth of participants in their sport, but also in the development of our athletes into future leaders and confident young men and women. Our program provides the opportunity for children to learn about their sport, while also supporting a healthy lifestyle and keeping kids moving. Our program is 100% non-profit. We are run by a completely volunteer staff of board members, coaches, and parents, none of whom receive any wages or benefits from our program. The program is unified in providing a quality program for children in our community and having a positive impact on their lives.

## How you can help

Our football and cheer program operates strictly from registration fees, sponsorships, donations, and fundraisers. We are reaching out to local businesses and families to offer you the opportunity to make this rewarding experience a reality for our youth. To the left, you will see the various sponsorship opportunities and the benefits each tier offers.

## Benefits of becoming a sponsor

By becoming a sponsor you will directly provide a positive impact on the lives of the youth in our program. Depending on the level of sponsorship, you have the opportunity to get your business name in front of many people via social media, as well as other benefits that grow along with your contribution.

## Current Needs for 2023

This season, we need over 50 new helmets for our football program. Your sponsorship would go a long way towards helping our program.
