

AYBA Fundraiser and Volunteer Activity

Fundraiser

As a participant in the 2026 AYBA season, I understand that I will need to sell a minimum of 4 fundraiser tickets to help raise money for the program which money for the initial tickets will be due at time of Jersey pick up. Players are welcome to sell more than the initial 4.

Volunteer Update:

For the time being, AYBA will not be requiring families to provide a Volunteer Check. AYBA has made the difficult decision to no longer have open concession stand during games due to the difficulties of not having enough volunteers over the last few years. Last year the concession stand was unfortunately closed more than it was open.

AYBA will be considering other options to provide snacks and drinks--such as other groups running it or the possibility for vending machines. More to come.....

With that said We do always welcome volunteer help. Listed below are some of the ways that you can help make this season great:

- Head Coach
- Assistant Coaching
- Field Clean up (prep for opening day-to be scheduled)
 - Hanging Banners
 - Tidying up fields
 - Putting up dug out equipment
 - Organizing apparel and inventory it
 - Outfield fences
 - Etc
- Emptying garbage throughout the season
- Championship Saturday
- Season tear down
