

June 12, 2026 Meeting Minutes

Chico Senior Softball Board of Directors

Attendees: Bob Gilbertson, BJ Hobbs, Tom Short, Rick Piras, Mike Gregg

Meeting minutes from the May meeting were read and approved 5-0.

There was no treasurers report.

-There was a discussion about having to move from Rex Murphy field over to Barile Field by July 6th if CARD reinstates their summer softball leagues, and the logistics involved.

-Mike will contact CARD about transferring the metal lockbox over to Barile for us. But the storage box that Andy and Mike built for the hitting mat won't work as well at Barile since the backstop there is radiused and there is currently no back cover for it.

-Rick will contact CARD to confirm that they still plan to bring in topsoil to improve the outfield at Sycamore once road repairs are complete on South Park drive.

-In the Veterans division, it looks like Sons of Pitches may be down to only eight players. Any new sign-ups in Vets would be assigned to that team.

-The meeting was adjourned.

-The next meeting will be at Barile field at 20th street park on July 8th @ 7:45 after the Vets games are done.
