A pitcher may not appear in a game as a pitcher for three consecutive days, regardless of pitch counts.

Clarification on daily max: If a pitcher starts pitching to a batter with fewer than his daily max, he can finish pitching to the batter and go over the DAILY max, but this must be the last batter he faces. Once removed from the mound a pitcher may not return to the mound to pitch.

11. Coaches are to record the pitcher's name and number of pitches on the pitching log provided. Chief Umpire to sign form.

- a. Present your pitching log to the umpire and opposing head coach before each EOS Tournament game. **Failure to produce a pitching log for a playoff game will result in forfeit.**
12. All other MMPL regular season rules for each age division apply that are not addressed in these tournament rules.
13. All disputes regarding rules are to be decided at the field, during the game. If there is any area where a question of the appropriate rule to apply arises the umpires will apply their discretion along with MMPL officials in attendance to reach a judgment.
14. The MMPL Code of Conduct applies for the EOS Tournament.
