- Your work will span CINA facilities, local schools, community sites, and the national training environment. Flexibility is required, as netball thrives beyond traditional office hours.

Key Responsibilities

High-Performance Leadership

- Lead all national programs for Under-12, 14, 16, 21, Senior Women, and Senior Men.

-

Community Engagement & Participation Growth

- Strengthen netball visibility and participation across all districts in the Cayman Islands.
- Organize leagues, clinics, regular weekend rallies, “turn up and play” sessions, and inter-school competitions.
- Build strong relationships with all schools, clubs, sponsors, parents, and community and corporate partners.
- Ability to grow the netball program to influence CINA's fundraising efforts in the community positively.

Volunteer & Coach Development

- Mentor volunteer and junior coaches and newly certified coaches, promoting ongoing CPD and best-practice coaching standards.

Administration & Safety

- Maintain safeguarding, health and safety, attendance records, weekly session plans, and weekly meeting and reporting to the Executive Committee Member(s).
- Manage equipment inventory, budgets, and program documentation.
- High Level of Confidentiality, Professional Independence, and excellent understanding of GDPR.
-

Essential Requirements

We are looking for a coach who brings both passion and proven performance:

- Level 3 coaching qualification with 6–10 years' experience across grassroots and elite netball with strong knowledge of international netball standards and high-performance systems.
- Bachelor's or Master's in sports management, business, or communications, and any other recent certifications.
- Advanced-level netball official certifications and experience (Umpiring, Bench officiating, Timekeeping, Event coordinating, etc.).
- Experience coaching ages 4–21 and senior athletes, with clear evidence of results.
- Experience coaching and officiating at major international netball events is preferred.
- Strong IT skills (Microsoft Office, SharePoint, etc.) with excellent social media aptitude.
- Medical clearance in the form of a full medical examination report, certified by a licensed physician.
