## Pastoral Reference for Athletic Participation

Dear Pastor,

The family below has registered to participate in athletics at Grace Preparatory School. As a non-evangelistic Christian school, we rely on pastoral references from our church partners to help ensure that every member of our athletic program reflects the Christian character and values we uphold. Would you please take a moment to provide an honest appraisal of this family's spiritual life, church involvement, and Christ-like character? Your insights will be invaluable in helping us maintain the integrity of our program.

Thank you for your time and support.
