

Central Valley Sports League – Refund Policy

Purpose:

Central Valley Sports League (CVSL) works hard to plan and deliver quality youth sports programs. Registration fees cover uniforms, field permits, referees, insurance, and league operations. Because many of these costs are paid before the season begins, our refund policy is as follows:

Refund Guidelines

- **Before Season Start:**
 - Full refund (minus processing fees) if requested **30+ days before the season start date.**
 - 50% refund if requested **within 30 days of the season start date.**
- **After Season Begins:**
 - No refunds once games have started, except in cases of documented medical injury or relocation outside the area.
- **Uniforms & Fees:**
 - Registration fees are not transferable between seasons.
 - If uniforms or equipment have already been ordered, the cost may be deducted from any approved refund.
