

## Stow Youth Football & Cheer Volunteer Commitment Policy

### Volunteer Commitment

Stow Youth Football & Cheer (SYF&C) is a 100% volunteer-run organization. Every practice, game day, fundraiser, concession stand, chain crew, equipment distribution, and special event is made possible through the dedication and generosity of our families. As our program continues to grow, so does the need for volunteers.

To ensure the continued success of our organization, every family is expected to contribute their time and talents throughout the season. Our volunteer commitment is designed to encourage shared participation and distribute responsibilities fairly among all families. We value your time and involvement far more than a financial contribution.

### Volunteer Credit Requirement

- Each **family** (not each athlete) is required to complete **four (4) volunteer credits** during the season.
- A variety of volunteer opportunities will be available throughout the season, and sign-up information will be provided prior to the start of the season.
- Volunteer credits may be earned through approved SYF&C events and activities as designated by the organization.
- Families who register a **foursome for the annual SYF&C Golf Outing** will automatically receive all four (4) required volunteer credits.

### Volunteer Commitment Fee

Families who do not complete all four (4) required volunteer credits by the end of the season will be assessed a **\$250 Volunteer Commitment Fee**. This fee will be collected during the equipment return process or charged using the payment method on file.

The Volunteer Commitment Fee is **not intended to serve as a fundraiser**. Its purpose is to encourage active participation and ensure the responsibilities of operating our volunteer-run organization are shared equitably among all families.
