BARKERS VEO

HOW TO GUIDE

Mooroolbark Soccer Club has partnered with VEO sports cameras to capture video of our games. VEO provides analytics and statistics for coaches to use to help develop their players.

The Club wants all coaches to use the VEO as much as possible.

The the VEO can be found in the Little Kennel cupboard.

The cupboard will have a combination lock code: 1962

To control the VEO you need to install The Veo Camera app on to your phone or pad

Veo Camera - Apps on Google Play The Veo Camera app provides easy connectivity to your Veo Camera.

Veo Camera

The Veo Camera app provides easy connectivity to your Veo Camera. You get full control of your camera with easy first time setup, starting and stopping...

Login in-U: info@thebarkers.com.au P: Mooroolbark2022!

Take the camera in the case. Make sure you take the mount with you. The stand will be found in the cupboard too.

Attach the mount to the stand.

Attach the mount to the stand.

Mount the camera to the tripod

Turn on the VEO by holding down the power buton for 2 sec

As the starts up the leds will scroll left to right

Connect to the VEO using your VEO camera app

Livestream + Record

Raise the Camera up 3 meters

Make sure you can see both corner flags in the shot. If you can't move the camera away from the field.

 \bigcirc Start Recording

((•)) Livestream + Record

Select the Start **Recording Button** You can now close the app. The

recording will continue on its own.

At the end of the game

Select the Stop Recording Button

At the end of the game
