Join the FAN Club

Touring is an incredible experience that allows athletes to develop team bonds, gain independence, and enjoy the adventure of international travel. To make the most of this opportunity, we strongly encourage athletes to travel with the team vans, stay with billets, and fully immerse themselves in the tour alongside their teammates. We warmly welcome and appreciate our fans! However, we ask that parents and supporters plan their own travel and accommodations so that athletes can fully engage with their team and maximize their experience. Your enthusiastic support from the stands means the world to them! Thank you for understanding and helping us create the best possible experience for our athletes.
